These 4 Links in the Chain of Beauty

While each Velvetina preparation is of absolute purity and supreme quality, for its particular purpose, it is the combination of all four that imparts real beauty to every woman who uses them in the order suggested by the illustrations at right. Because of their scientific blending qualities, each helps the other. By using the 4-Part Treatment, as directed in the Velvetina Beauty Book (shown above), furnished free with each outfit, you secure a youthful skin of smooth, velvety texture, soft and glowing with health. In the Velvetina Beauty Combination, the four parts harmonize perfectly to a definite purpose. This is the reason why our special offer is made on the combination of four preparations instead of on one or two of them. We want you to make the right start with Velvetina—and this can only be done by using all four of the preparations in their proper sequence.

Velvetina Complexion Soap

Velvetina Face Powder
